

1.3- Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

1.3.1. Institution integrates crosscutting issues relevant to Professional Ethics, Gender Human Values, Environment and Sustainability into the Curriculum (Write description of initiatives in not more than 200 words)

Our Institution integrates Cross-cutting issues of the society like Moral Values, Human Values, Professional Ethics, Ethical Values Gender Equality, Environmental Awareness, which are inseparable part of our curriculum. Subject teachers identify this cross cutting issues in curriculum and deliver a lecture related issues and also noted it in daily lesson note

Human Values & Professional Ethics

The compulsory course "Universal Human values & Professional Ethics" for 2nd year, CBCS BA/B.com/BBACA/B.voc& open elective course "Understanding the Human Being Comprehensively-Human Aspirations and Its Fulfillment" for the final year are important part of Curriculum. Students will be able to understand the importance of ethics and values in their personal, social & professional life after studying these courses. These subjects provide free environment for inculcating values and developing ethical competence among the students. It is in response to a long- felt and urgent need to integrate value education with decision making skills in their personal, social and professional life. College celebrates days of National and International importance as Human Right Day, Republic day, Women's day, Independence Day, Teacher's day, International Yoga Day etc. These celebrations nurture the moral, ethical and social values in the students.

Gender Sensitization

The college has Women Grievance Cell and Grievance Redressal Cell to provide counseling to students, promote gender equity among students and also deal with related issues of safety and security of female students, staff and faculty. The college campus is secured with CCTV and high level security. There are separate Girls hostel (In-campus) for providing the safe environment to all students. Similarly, gender equity programs are arranged for the girl students in order to inculcate awareness Women development cell, Department of English and Economics organized online events related gender equity for creating awareness among students

Environment & Ecology

The course "Environment & Ecology" related to ecosystem, its balance & sustainability is an integral part of the curriculum of the second year. SPPU Pune University prescribed this course for creating awareness and developing importance of environment among students. Awareness about Environment is necessary for the protection of the environment and survival of human life. The basic aim of this subject is to make the students aware about the importance of ecosystem to human life.

In addition, extensive work goes on such as tree plantation program vitthal mandir campus aundhgaon and tukai temple campus baner, Pune. college celebrates the day of national importance as Earth day environment day. Department of Geography organized workshop on environment and ecology to make students aware about efficient use of natural resources.
